Flour and Fold

Welcome

"IT'S SUCH A PRIVILEGE TO BE A PART OF SOMEONE'S SPECIAL DAY. I LOVE THE ATTENTION TO DETAIL THAT GOES INTO WEDDING PLANNING, AND SEEING IT ALL COME TOGETHER ON THE DAY IS A SUCH A WONDERFUL FEELING."

Flour & Fold began in the summer of 2019 when I created three wedding cakes for my brother-in-law's wedding. I've always loved baking for friends and family, but that experience inspired me to turn my passion into a business.

At the time, I was balancing cake orders alongside my career as a theatre sound engineer in London's West End. After relocating to Faringdon, Oxfordshire in 2020, and becoming a new parent, I decided to take the leap and focus on Flour & Fold full-time.

During the pandemic, I adapted my business to offer postal bakes nationwide and was delighted to receive a Great Taste Award in 2021 for my triple chocolate brownie. As weddings returned, my focus naturally shifted back to creating bespoke wedding cakes.

Today, I work from my home studio in Oxfordshire, where I live with my husband and two children. I specialise in designing elegant, delicious wedding cakes for couples across South and Central England, and I love helping bring each couple's vision to life on their special day.

EDIBLE ART

There's no event quite like a wedding, where love and creativity are on full display.

As a cake designer, I can't wait to offer you a Flour and Fold customised design that will perfectly match your vision. It's important to remember that each creation is one-of-a-kind, and demands a personalised approach and therefore no two cakes are priced the same.

WHAT SIZE DO I NEED?

Cake: a delicious dessert or a tasty addition to your evening offering? Just let me know your total guest number and I can advise accordingly.

You should consider if you want to keep your top tier aside for another occasion. This might effect your sizing and flavour choices.

If you would like to serve your wedding cake as the final course of your main meal, that will vary the size of cake you need so please mention this upon booking.

Extras

CAKE STAND HIRE

I like to think of the cake stand as an extension of your cake design. Not only does your stand compliment your design, but I'll pick something to elevate it and make it a real focal point.

I also offer the use of spacers and faux tiers within my designs, so that we can create a showstopper, with height an added interest without the extra cake portions.

Stands are £15 to hire, plus £100 refundable deposit. It is your responsibility to return the stand to me, or you can nominate a friend/family member. I also offer a collection service, if you would prefer me to take care of things.

ENGRAVED CAKE KNIFE SERVER SET

New for 2024, I am working with a local calligrapher who specialises in personalised engraving.

Available in silver or gold, you can have your names, or perhaps a personal phrase engraved so that you have a beautiful keepsake for years to come.

ALLERGEN FREE ADDITIONS

My studio kitchen handles and stores all allergens, so I am unable to guarantee 100% elimination as there will always be a risk of cross contamination.

I offer additional cupcakes/sheet cakes to supplement your booking using 'free from' ingredients, however these are not advised for severe allergy sufferers.

Absolutely! I highly recommend this as it gives your guests a choice on the day and there will be something for everyone... Plus, choosing your flavours is one of the most enjoyable parts of wedding planning.
